

BACKGROUND:

Education of the City of Chicago is regulated by the Illinois School Student As a school district, the Board of
1 et seq 1 and the Family Educational Rights and Privacy Act of 1974, as Records Act ("Act") 105 ILCS 10
Records Act, where applicable. In addition, the Board must comply with the Local R

Secretary

the student's record shall contain all relevant school student re

Student Permanent Record. Such information may include family background information, intelligence test scores, aptitude test scores, psychological and personality test results, teacher evaluations, and information of clear relevance to the education of the student and subject to regulation.

In addition, the Student Temporary Record shall include information regarding serious disciplinary infractions that resulted in expulsion, suspension, or the imposition of punishment or sanction. For purposes of this provision, serious disciplinary infractions means infractions involving drugs, weapons, or bodily harm to another. For Chicago Public School students, this includes records related to the Chicago Public Schools.

The Illinois State Board of Education wants to ensure that the Student Temporary Record include a record of release information in accordance with Section 6-0.0 of the Act and scores received on State or temporary record assessment tests administered in the elementary grade levels (i.e., Kindergarten through grade 8).

The Student Temporary Record may include participation in extracurricular activities, including any official record of awards, honors, or other disciplinary information.
