SCHOOL, JOSEPH LOVETT SCHOOL AND THE NORMAN BRIDGE SCHOOL**

THE BOARD OF EDUCATION RECOMMENDS:

THE CHIEF EXECUTIVE OFFICER

Establish the attendance area for the Harriet E. Sayre Language Academy, located at 850 North Newland Avenue, and adjust the attendance areas of Luther Burbank School, located at 2035 North Mobile Avenue, Josephine C. Locke School, located at 2046 North Newland Avenue, Joseph Lovett School, located at 2550 West Birmingham Avenue, and the Norman Bridge School, located at 1000 North Newland Avenue. These changes are applicable to kindergarten through grade eight. Starting August 1, 2002, each year thereafter, a subsequent grade is added to the attendance area through grade eighth.

The Board of Education, upon the recommendation of the Superintendent, hereby orders that the Board will seek to the maximum extent practicable to ensure that the establishment of an attendance area for Sayre will assist in reducing overcrowding at the Bridge, Burbank, Locke, and Lovett schools by reassigning portions of these schools' attendance areas to the Sayre Language Academy. Beginning at the kindergarten level in September 2002, and adding the subsequent grade each year thereafter, neighborhood students will be given priority of enrollment. Applicants residing outside the school's attendance area will be accepted on a space-available basis. In any given year, students whose grades are not affected by this change, and who reside within the geographic boundaries of the attendance area, will be given priority of available spaces. Students from outside of the attendance area who were enrolled at Sayre in the 2002-2003 school year will be allowed to remain at the school until graduation.
