June 30, 2002

SCOPE OF SERVICES

The consultant will continue to provide a comprehensive training program for administrators commensurate with current research in the training services rendered which explores and address the complex nature of leadership and prepare candidates for the changing role of the principal and other positions requiring a Type 75 Certificate. Participants will not be charged any additional program expenses in addition to contractual costs funded by the Chicago Public Schools. The programs will include five core components:

- aspiring principals, with a special emphasis on high schools, who are seeking to develop leadership confidence and professional goals will be provided 70 hours of prescribed professional development and set personal goals;
- beginning principals requiring support for addressing the complexities of the job, who are not limited to fiscal, personnel, facilities management, parent/community involvement, and instructional leadership;
- experienced and novice principals, assistant principals and teacher leaders struggling with improving achievement, managing change and developing collaborative school cultures oriented toward school improvement;
- all administrators responding to the requirements of the State of Illinois and the Chicago Board of Education under Senate Bill 1019, and Senate Bill 730

and interpersonal skills. The programs will utilize the Chicago Standards for Developing Educational Leaders which are: school leadership; parent involvement and community partnerships; creating student-centered learning climates; professional human resource management; instructional leadership; school management and daily operations; and, interpersonal skills. In addition, the consultant will recruit participants as prescribed by the Chicago Public Schools as well as to the Illinois State Board of Education.
