ment upon sixty

ARLY TERMINATION RIGHT: Either party shall have the right to terminate this Agreement (60) days written notice.

an for the Board

SCOPE OF SERVICES: Advocat will provide a preliminary report and outline a plan of compliance with Section 508 standards of the Technology Related Assistance for Individuals with Disabilities Act of 1988. In addition, Advocat will provide a variety of specific training, technical assistance and policy development services. An evaluation of ten (10) test sites will be conducted to assess the major electronic and information technology systems. Advocat shall also conduct a general assessment of CPS technology policies, procedures and purchasing standards. CPS personnel to determine administrative processes and information technology functions, consult with structures and acquisition plans, and evaluate and assess major electronic and information technology systems, including Web Presence, both Internet and Intranet, Email Systems, Telephone Systems, Fax Systems, and any machines, software, hardware, on-line, software, and hardware.

DELIVERABLES: Advocat will

- Conduct four separate overview seminars to introduce CPS administrative and information technology to the concepts of accessible electronic and information technology. Each seminar would be limited to 10 participants each, be two hours in length and spread over several days.
- Draft a broad policy directive asserting Chicago Public Schools' commitment to creating an accessible electronic and information technology environment for students, employees and other stakeholders.

...and information accessibility standards: ... policy,

... Develop a Strategic Plan for meeting electronic and information accessibility standards: ...
... Develop a potential job description and revise existing job descriptions ...
... central is an analysis of electronic and information technology

... Conduct six classes for CPS personnel on accessible electronic and information technology standards based on Section 508 regulations. These courses would be limited to participants each and be three hours in length; and

... Submit a final report with specific information on accessibility levels at each of the sites. This report will offer details about accessibility and outline steps necessary to achieve an environment of accessible electronic and information technology for people with disabilities as well as suggest avenues, and make specific recommendations, for addressing accessibility deficiencies.

OUTCOMES: ... 508A standards ...
... technology systems

... 508A standards ...
