YEAR ROUND SCHOOL CALENDAR
TRACK C

The image shows a calendar grid for the 2002-2003 school year, Track C. The grid is heavily distorted and noisy, making the individual dates and days almost impossible to read. The months visible include May 2003, August 2002, November 2002, and February 2003. The grid is organized into columns and rows, with days of the week indicated at the bottom of each column. The overall appearance is that of a corrupted scan of a document.
