RESOLUTION 02-0327-PO2: PROVISION OF SCHOOL BUS TRANSPORTATION TO STUDENTS PARTICIPATING IN DESIGNATED CHICAGO PUBLIC SCHOOLS PROGRAMS

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Chicago Board of Education adopt the following policy on the provision of school bus transportation to students participating in designated Chicago Public Schools ("CPS") programs:

POLICY TEXT:

Purpose

The Chicago Board of Education seeks to create and maintain an effective and efficient school bus transportation program for all eligible students. In order to achieve this end, a student transportation task

Parents and legal guardians of eligible students who are currently attending a school shall submit an application to the school their child(ren) will attend during the next school year.

Parents and legal guardians shall submit requests for a change in the bus stop location when the student is currently attending a school. The application shall be submitted to the school bus stop location currently being attended by the student. The application shall be submitted to the school bus stop location currently being attended by the student. The application shall be submitted to the school bus stop location currently being attended by the student.

4. Parents and legal guardians may request a change in the bus stop location when the student is currently attending a school. The application shall be submitted to the school bus stop location currently being attended by the student. The application shall be submitted to the school bus stop location currently being attended by the student. The application shall be submitted to the school bus stop location currently being attended by the student.

5. Parents and legal guardians of eligible students also shall submit an application to the school bus stop location currently being attended by the student.

Bureau of the State, beginning the school year, 15 miles for multiple students whose parents
