**AUTHORIZE ADJUSTMENT OF ATTORNEY SALARY
(ALLEN WALL)**

THE GENERAL COUNSEL REPORTS THE FOLLOWING:

DESCRIPTION: Board Resolution 10 provides that individuals are not to be promoted to other functional support positions unless they have received a salary increase from the attorneys in the Law Department with Board approval for any salary increases in excess of \$1,000.00. The General Counsel has reviewed the salary increases requested by the Law Department and has determined that the proposed salary increase for Mr. Wall is within the parameters set forth in the resolution.

Departmental salary increases are based upon performance evaluations each year.

Based upon this process, the General Counsel has determined that Allen Wall is entitled to a promotion and corresponding salary increase. Specifically, the General Counsel, based upon Mr. Wall's performance and the fact that he has been identified as a "star" attorney by the General Counsel on matters impacting the board's educational policies, the General Counsel recommends that effective July 1, 2001, Allen Wall receive a promotion from the position of assistant attorney to senior attorney in the Law Department's general litigation practice group where Mr. Wall will report directly to the General Counsel on an array of matters impacting the board's educational policies. A copy of Mr. Wall's resume is attached.
