

**APPROVE THE SECOND EXTENSION OF THE PRE-QUALIFICATION STATUS AND THE AGREEMENTS WITH VARIOUS VENDORS TO PROVIDE COMMUNICATION WIRING COMPONENT**

**AND HIGH VOLTAGE INFRASTRUCTURE INSTALLATION SERVICES**

**THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:**

Approve the second extension of the pre-qualification status and the agreements with the various contractors identified below for communication wiring/component and high voltage infrastructure installation services to

High Voltage Infrastructure (High Voltage)

1. LAN/WAN- associated electrical power distribution infrastructure installation.
2. Electrical power upgrade and distribution for identified facilities of the Road

3. Contractor may be required from time to time as the need arises to perform installations

network infrastructure improvements and other associated work for various purposes.

**DELIVERABLES:** Contractors will continue to provide completed projects meeting the intent of the project construction bid documents in a timely manner and within budget.

**OUTCOMES:** Contractors will continue to provide CPS technology projects and associated electrification projects will continue to upgrade the technology at CPS facilities.

**COMPENSATION:** The sum of payments to all pre-qualified contractors during the second extension

Approved for Consideration:

*Heath and Jones*
