RATIFY ENTERING INTO AGREEMENTS WITH

Ratify entering into agreements with various consultants to provide information asset management services to the Office of Technology Services ("OTS") at an aggregate cost not to exceed $3,000,000.00. Consultants were selected on a non-competitive basis to leverage current resources and realize significant cost savings.

2. Provide ongoing administrative services in support of data base operations (e.g., software installation and maintenance, change management activities, release management activities and production support).
3. Design, develop, test, implement, and maintain data base backup and recovery strategies (for

[redacted]

extraction efforts.
5. Monitor system performance and utilization of the CPS database environments.
6. Develop governance including policies, procedures, and standards in support of CPS data base

[redacted]

governance, organization, skill sets, etc.
2. Assist with development of EIAM organizational design
3. Assist with development of EIAM organizational implementation strategy including skills migration and workforce "re-skilling" development plan.
4. Assist with planning and recruitment of full-time CPS resources for identified positions.

DELIVERABLES: Consultants will provide enrollment, registration, scheduling and attendance modules that will improve the collection and reporting of crucial student data.

OUTCOMES: Consultants' services will result in integrating better and more efficient technology and practices in all our educational processes in order to advance the three central CPS priorities of literacy, leadership, and learning opportunities.

COMPENSATION: Consultants shall be paid on a monthly basis in accordance with the pricing set forth in each written agreement; the sum of payments to all consultants for the initial term shall not exceed $3,000,000.00.
