

AND ADOPT A NEW POLICY FOR EARNING HIGH SCHOOL CREDIT AND PLACEMENT OF

HIGH SCHOOL LEVEL COURSES TAKEN BY ELEMENTARY GRADE STUDENTS

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

THE BOARD OF EDUCATION SHOULD APPROVE THE POLICY AND ADOPT THE POLICY

4. Duration: The course must include a minimum of 120 contact hours of instruction.

B. The principal with the assistance of the appropriate CPS curriculum office, the Office of Academic Enhancement and OAES, will ensure the quality and integrity of these classes

by assuring that the course content meets the Illinois Learning Standards as outlined by the Illinois State Board of Education. All science courses offered must meet CPS laboratory requirements.

GRANTING HIGH SCHOOL CREDIT OR PLACEMENT FOR SUCCESSFUL COMPLETION OF

HIGH SCHOOL LEVEL COURSES, IN ALL SUBJECT AREAS EXCEPT MATHEMATICS

Elementary grade students who are enrolled in qualifying high school level courses in any subject area except mathematics, as defined in Section II. of this policy, are eligible to obtain high school credit for

academic placement for the student.

2. Students who obtain placement in advanced high school courses will not receive credit for

From a high school level mathematics course, the student takes and earns the required

Students who earn a high pass score on the Citywide Algebra Exit Exam, as based on

On 10/11/07, the Board of Education adopted the following resolution:

shall be eligible to drop out of the high school level mathematics course and into an advanced high
