~~That the Board of Education of the City of Chicago ("Board") approve the reappointment of Charles C~~

**Basis for CFO's Recommendation** On December 16, 2009, the CFO published the criteria that would

that schools that had received less than 33.3% of possible performance points under the CPS School Performance, Remediation and Probation Policy for school years 2007-08 and 2008-09 would be considered for turnaround. That policy assesses Elementary School performance based on current status

until the school is removed from probation pursuant to Section VIII of the Board's School Remediation and Probation Policy for the 2000-10 school year, or any successor policy on school probation.
