

**RATIFY THE FIRST OPTION TO RENEW THE AGREEMENT WITH VARIOUS CONSULTANTS FOR
DEVELOPMENT OF A CAPSTONE COURSE IN SPACE SCIENCE**

THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:

CPS:

- **Create and run intensive summer workshops:** Each Type 1 Consultant has created and will continue to run intensive, 100-hour summer workshops for up to 4 high school teachers and 40 high school

students centered on their chosen NASA mission/program. This workshop not only offers the participants

intended college major, and perceived impact. Teacher surveys will include perceptions of student performance and interest/attitudes, self-reported impact on teacher content knowledge, and items related to teacher awareness of NASA resources.

Site Visits: Each Type 2 Consultant will continue to conduct five site visit 2 days duration each year to

visit program sites including, but not limited to, summer workshop locations and participating schools. Site visit may include observations of the intensive workshops and student science fair, interviews and/or focus with students and teachers, and the collection of extant data and documents.

- **Reporting Structure:** Each Type 2 Consultant will continue to develop a reporting structure that provides CPS leadership and the Type 1 Consultants with timely formative data to make necessary program improvements. In addition, the Type 2 Consultant will produce for CPS leadership and the Type 1 Consultants an annual report that collects and summarizes all evaluation findings.
