**SC IMPLICATIONS:** Initially, the school will establish a transitional advisory body. A Local

School Council will be established in a timely manner.

**FINANCIAL IMPLICATIONS:** No additional positions will be sourced to this school for the 2013 fiscal year. However, there will be an expansion of staff in the near future as more grades are added. IB and Selective Enrollment programs typically allocate 2 positions per school per

program. It is anticipated that FY2014 would potentially see a commitment of four positions (the 2 previously approved IB positions and another 2 for SEHS).
