SCOPE OF SERVICES:

Vendor will continue to provide a license to use BFK-Link solution with associated implementation services to ensure the Board is provided with accurate data for students' growth measures. BFK-Link is a web-based linkage solution that allows teachers to confirm which students they taught as well as students for whom they are administered REACH Performance Tasks, meanwhile capturing student mobility and instructional attribution.

Vendor will continue to update and utilize previously administered business rules for the linkage process, including associated training and user support. Vendor will continue to implement the teacher-student linkage system district wide using the BFK Link solution while providing training and help desk support to

principals and teachers before and during the linkage process. Finally, Vendor will extract the verified and linked data and provide a data output file to the Board. Throughout this engagement, Vendor will continue to provide ongoing strategic counsel and project management overseeing the implementation to this
