The agreement will incorporate an accountability plan in which the contract school is evaluated by the Board each year based on numerous factors related to its academic, financial and operational performance.

CONTRACT SCHOOL EVALUATION: After receiving the contract renewal proposal, the Office of Innovation and Incubation conducted a comprehensive evaluation of ChiTech's academic performance, financial viability, and legal and contract compliance. This evaluation included a review of the proposal, academic results, financial performance, governance documents, parental issues, facilities surveys, and special education documentation. A public hearing was held on January 10, 2023 for all contract and charter schools going through renewal to receive public comments, including ChiTech.
