### SCHOOLS PLACED ON REMEDIATION

Any school that receives a remediation status as described above shall participate in a remedial program in which a remediation plan is developed by the CEO and/or the CEO's designees. A Remediation Plan may include one or more of the following components:

- 1. Drafting a new school improvement plan (currently known as the Continuous Improvement Work Plan, or CIWP);
- 2. Additional training for the local school council (if applicable);
- 3. Directing the implementation of the school improvement plan; and

Except when otherwise specified by the CEO, the Chief of Schools for the school's network and the Chief of Schools' designees shall serve as the probation team that will identify the educational and operational deficiencies at probation schools in their network to be addressed in the school improvement plan and budget presented to the Board for approval.

### Monitoring:

The CEO or designee shall monitor each probation school's implementation of the final plan and the progress the school makes toward implementation of the plan and the correction of its educational deficiencies.

### Additional Corrective Measures:

Schools placed on probation that, after at least one year, fail to make adequate progress in correcting deficiencies are subject to the following actions by the approval of the Board, after an opportunity for a hearing:

- 1. Ordering new local school council elections;
- 2. Removing and replacing the principal;
- 3. Replacement of faculty members, subject to the provisions of

# Average Student Growth Percentile on STAR Assessment

| Definition           | Average fall-to-spring, fall-to-winter, or winter-to-spring growth percentile of students on the STAR reading and math assessments.   |
|----------------------|---|
| How it is calculated | For each school, an average student growth percentile will be calculated from available individual growth percentiles from fall-to-spring, fall-to-winter, or winter-to-spring windows. |
| Included<br>Students | Yearly, students are counted once per subject. For example, if a student has fall-to-<br>spring growth, the student's fall-to-winter and winter-to-spring percentiles are not used.     |

# Percent of Students Making Growth Targets on STAR Reading and Math

| Definition           | Percentage of students with a growth percentile of 40 or higher on the STAR reading and math assessments.  |
|----------------------|--|
| How it is calculated | <b>Numerator:</b> Number of students with a growth percentile of 40 or higher on the STAR assessment.<br><b>Denominator:</b> Number of students with valid pretest and posttest scores on the STAR assessment. |
| Included<br>Students | Yearly, students are counted once per subject. For example, if a student has fall-to-<br>spring growth, the student's fall-to-winter and Winter-to-Spring percentiles are not<br>used.                         |
| Notes                | This indicator is calculated separately for reading and math.  |

## 1-Year Graduation Rate

| Definition            | Percent of graduation-eligible students who graduate by the end of the school year.  |  |  |  |
|-----------------------|--|--|--|--|
| How it is calculated  | <b>Numerator:</b> Number of students who graduate at any point during the school year <b>Denominator:</b> Number of students who, at the beginning of the school year or at the time of enrollment, have sufficient credits such that they could graduate by the end of the school year if they took a full course load. |  |  |  |
| Student<br>Population | <b>Included:</b> graduation-eligible students; students who graduated, including summer graduates.<br><b>Excluded:</b> Verified transfers are excluded from the calculation.   |  |  |  |
| Notes                 | The definition of "full course load" will be individualized per the program model.<br>Transcripts must be updated in SIM by a date to be communicated by the Office of<br>Accountability for students to be considered as graduates.   |  |  |  |

| Included<br>Students | Students who have not been enrolled long enough to earn credits are excluded.   |
|----------------------|---|
| Notes                | The total credits possible are individualized per the program model. Final grades must<br>be entered within 30 days after the last CPS student attendance day to be included in<br>the calculation. Grade changes submitted past this deadline will not be included in the<br>credit attainment rate. Missing grades or grades entered as slashes will be defaulted<br>to course failures (Fs).<br>Credits earned during the summer are not included in the calculation of this metric. |

# Stabilization Rate

| Definition           | Percent of stable students who are enrolled at the end of the school year, complete the program, or successfully transitioned to another CPS school.  |  |  |  |
|----------------------|---|--|--|--|
| How it is calculated | <b>Numerator:</b> Number of stable students who enrolled at any time during the year and are enrolled at the end of the year, complete the program, exit the system due to age requirements, or successfully transition to another CPS school. <b>Denominator:</b> Number of stable students enrolled at any time during the year, excluding students with a non-dropout leave code or a verified out-of-district transfer. |  |  |  |
| Included<br>Students | Stable refers to students who have accumulated at least 45 membership days.<br>Unverified out-of-district transfers whose transfer took place in the last 150 calendar<br>days of the school year are not counted as dropouts in this rate.   |  |  |  |

| 4. Percentage of Students<br>Making Growth Targets on<br>STAR Math Assessment    | Greater<br>than or<br>equal to<br>65% | Between<br>55% and<br>64.9%               | Between<br>45% and<br>54.9%               | Between<br>35% and<br>44.9%               | Less than<br>35%         |
| 5. One-Year Graduation<br>Rate   | Greater<br>than or<br>equal to        | 89.9%                                     | Ø ■<br>70% and<br>79.9%                   | 69.9%                                     | 60%                      |
| 6. Credit Attainment Rate  | Greater<br>than or<br>70%             | Between<br>60% and<br>69.9%               | Between<br>50% and<br>59.9%               | Between<br>40% and<br>49.9%               | Less than<br>40%         |

8. Average Daily Attendance Rate

Greater than or equal to 90% Between

For each of the above indicators that is based on STAR, a school must meet minimum participation requirements to receive the full points. A minimum participation requirement is established to ensure that all students have an equal opportunity to participate in the instruction and assessment process. The points received for each indicator will be adjusted as follows based on participation rates, with a school receiving no less than one point for each indicator:

| STAR Participation Rate                        | Point Adjustment |
|--|------------------|
| Greater than or equal to 90%                   | No adjustment    |
| Greater than or equal to 85% but less than 90% | -1 point         |
| Greater than or equal to 80% but less than 85% | -2 points        |
| Greater than or equal to 75% but less than 80% | -3 points        |

| 4.  | Percent Making Growth Targets on STAR Math Assessment | 0%  | 10% |
