November 18, 2020

CICS - ChicagoQuest Background

Background

ChicagoQuest is one of fourteen charter school campuses operated by Chicago International

transition:

Family Communications. CPS will send letters, robocalls and emails to families regarding the Board

and contact information for key CPS departments and transition supports.

Educational Options for Students. CPS is currently identifying multiple high-quality school options

individuals needs and priorities.

Virtual Informational Sessions for Families. CPS will host an initial information session in early December 2020 for families to present high-quality school options and provide points of contact within CPS to serve as student transition support coordinators. Additionally, monthly virtual sessions will be held for families regularly through September 2021.
