Emergency Guidelines Governing the Conduct of Remote Public Board Meetings and Provisions for Remote Public Participation

The following Emergency Guidelines have been issued by the President of the Board of Education of the Chicago Board of Education. These Emergency Guidelines are effective March 20, 2020, and shall remain in effect during the period in which the Illinois Governor's Disaster Proclamation remains in effect. During the period they are in effect, these Emergency Guidelines supersede the Public Participation Guidelines issued August 28, 2013 (rev. September 13, 2018).

The Board President may rescind, suspend or amend these Emergency Guidelines as circumstances dictate.

The purposes of these Emergency Guidelines are to:

1. permit the Board to conduct essential business while taking appropriate measures consistent with the guidance from the President of the United States, the United States Centers for Disease Control and Prevention, and the Illinois Department of Public Health to mitigate the contagion and spread of the COVID-19 virus; and
2. promote expeditious public meetings that will allow Board members, the Chief Executive Officer, Chief Education Officer and other Officers of the school district to maximize time spent directly addressing the needs of the students and families during the public health emergency.

These Emergency Guidelines address the manner in which the Board will conduct its public meetings to keep the number of in-person attendees below established thresholds as directed by the Illinois Governor's Disaster Proclamation and to comply with recommended social distancing and social isolation practices to mitigate contagion and protect and promote the health and well-being of the general public, Board employees, students, staff and members of the Board of Education.
